Información actualizada el: October 26, 2020 True Horror: Possacken Souls is an adventure psychological horror video game developed by Goblins and published in a digital lounge. This game is unique in that it mixes puzzles, points and click adventures, and horrors together very well. The game was released on October 19, 2016 via Steam for Microsoft Windows and Mac OS X. About this game: You walk the streets you don't recognize, the fog slows down in the darkness crawling to blind you. You pause and look up to see the house. Candles flicker in every window like a signal. Climbing a few steps to the front door, you realize it's been years since it last opened - it has been sealed with rust and purpose. Inexplicably, just as you know candles are for you, you can see that someone is waiting inside. A man who remains in the house even before the iron melts. They have patience. have been waiting for more than twenty years. I'm waiting for you.
